

WIDE AS THE SKY

Words and Music by
Tone Kimura

Wide, wide, wide as the sky
Is my heart today
Fresh, fresh, fresh as the wind
Blowing dark clouds away
Clear, clear, clear as the rainbow
It's colors so gay
Warm, warm, warm as the sun
Is my heart today!

My heart, may it be feeling
Tender things for the world
My heart, may it be loving
All things under the sun
My heart, may it be seeking
The highest thing, and beyond
My heart, may it forever
Beat for every one!

Deep, deep, deep as the sea
Is my heart today
Bright, bright, bright as the stars
In the whole Milky Way
Swift, swift, swift as a brook
With the sparkling spray
Free, free, free as the bird
Is my heart today!

Wide, wide, wide is my heart
Free, free, free is my heart
Bright, bright, bright is my heart
Today!
